ROSE MOOM, INC dba MOON PRODUCTS

This document certifies that the company named above participates in the Pencil & Eraser Certification Program for 2008. All pencil components certified under the Pencil Certification Program are in conformance with ASTM D4236 and EN71. In addition, participation in the certification program verifies that the pencil components are in conformance with all state labeling laws pertaining to acute and chronic toxicity and that they are apt for human usage. Only recipients of this document are entitled to utilize the PMA certification mark on products, products packaging, or related advertising materials.
